1. Infielders 1-5 must assume a position similar to those used in traditional baseball.
2. Outfielders 1-3 must assume a position approximately 70 feet away from home plate.
3. Outfielders 1-3 must be evenly dispersed in the outfield.

The intent of this diagram is to ensure compliance with the player placement rule outline in Rule 1 and to simulate a defensive alignment similar to the alignment use in traditional baseball. FCBC considers placing players in positions not represented in this diagram to be a violation of FCBC Sportsmanship policy. Coaches shall chalk the home plate, foul line to 1st & 3rd, as well as mark off the 40 ft arch.
